

Mg Point Beauty Roller

Let's Take in
Hydrogen

For....
Lines and Wrinkles
Loss of Elasticity
Dryness

You can use anywhere you concern
Eg.) eyes as well as mouh, fingers,
and so on

High Purity
Mg 99%

More effective using with water

The bubbles come out from the roller

You can use the bath room

For eye care
Appear brighter

It may change the color of roller because of
generating hydrogen, but there is no
problem.
